  - Audrianna Smith

## READING SUGGESTIONS

MDE Literacy Focus of the Month is Oral Reading and Fluency . Try echo reading printed text with your child!

The AR program is underway - students earn points for taking comprehension tests on books they read alone or with help.

Reading together is the most important thing you can do for your child's education. Try reading books, road signs, cereal boxes, and any printed text you can find!

BOOKS OF THE MONTH:

- K/1st Happy Thanksgiving Biscuit!
- 2nd/3rd - Young Squanto: The First Thanksgiving
- 4th/5th - Grace for President

## CLEVER APPS

- Students can access the Clever dashboard at home using the quick links on the district website.
- Clever provides secure links to a variety of learning games and tools that can provide your student fun extra practice in all subject areas.
- Visit your child's Clever teacher's page for their recommended apps
- You'll find math fact drills on XtraMath, tutoring-style support with Khan Academy and Paper, role-play computer games that use math and reading skills in Prodigy, and assigned lessons in iReady and Study Island.
- The latest addition to our Clever resources are Imagine Math, Discovery Education, and Newsela

## LUNCH NUMBERS

- Students now need to know their student numbers (AKA lunch numbers) to keep track of their school meals.
- Students must be able to input their own number at breakfast and lunch.
- Please help your student memorize this number.

## MAGIC MONDAY

- November 7th -Superhero day
- November 14th -Holiday Themed shirt for November
- November 28th -Twin Day
